

THE TIN OWL

photo art by maren misner

The Tin Owl, LLC, is a Madison, Wisconsin-based creative business run by photographer Maren Misner. Maren creates a line of home decor, gifts, and jewelry, all featuring her original artwork.

The Vintage Home Collection is a series of photographs of vintage license plates, set within their respective state outlines. All 50 states and D.C. are available in The Tin Owl's entire product line, and the image of the USA is available on limited products (prints, cards, tea towels, and puzzles). Territories and other countries will be available in the near future.

The text on each image is customizable! Want your image to say 'heart' instead of 'home'? We can do that! There are different minimum orders and exchange policies for some custom products; email Maren at maren@thetinowl.com with questions!
